

Woodland Erosion

County Maximum is \$10,000 per year/per landowner

N472 – Livestock Exclusion - Applies to existing ponds, woodlands, sinkholes, streams or sensitive areas where vegetation, soil condition, and water quality are in need of protection from livestock. There are no erosion requirements. Maintenance Agreement – 10 years.

C100, Timber Harvest Management – Financial assistance for the proper design and implementation of best management practices. This is an incentive payment for 20-75 acres at \$20/acre and 75+ acres at \$1500 plus \$15/acre for every acre over 75. Fields that have been harvested in the last 5 years are not eligible unless multiple harvests are recommended by the technical forester. Maintenance Agreement – 10 years.

N655, Restoration of skid trails, logging roads, stream crossings and log landings – Treatment of gully erosion caused in the above mentioned areas. Maximum cost-share per treatment area is \$1,500 or 75% of the state average cost. Maintenance Agreement – 10 years.
